

FINAL STATEMENT OF REASONS

1) The Update to the Initial Statement of Reasons

There are no changes to the initial statement of reasons, which is hereby incorporated by reference.

2) Imposition of Mandate on Local Agencies or School Districts

The department's regulatory action adopting Sections 15.07 in Article 2, Chapter 1, Division 1, of Title 13, does not impose any mandate on local agencies or school districts and imposes (1) no cost or savings to any state agency, (2) no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, (3) no other nondiscretionary cost or savings to local agencies, and (4) no costs or savings in federal funding to the state. No studies or data were relied upon to make this determination.

3) Document(s) Incorporated by Reference

Section 15.07(a) specifies the **Verification of Reduced Fee Identification Card, form DL 937 (NEW 8/2004)**, which must be submitted by an applicant for a reduced fee identification card. This form is being incorporated by reference since it is impractical and cumbersome to publish in the California Code of Regulations a form that will only be used for a specified purpose.

4) Summary of Comments Received and Department Response

The proposal was noticed on October 8, 2004, and made available to the public from October 8, 2004 through November 22, 2004. No comments were received on the regulatory proposal.

5) Determination of Alternatives

No reasonable alternative considered by the department, or that has otherwise been identified and brought to the attention of the department, would be more effective in carrying out the purpose for which these regulations are proposed or would be as effective and less burdensome to affected private persons than the proposed regulations. During the rulemaking process no alternative that would lessen the adverse economic impact on small business was submitted.
